The MET will install a new gallery space (the "Gallery Space") dedicated to the display of the Collection, to be completed in an expeditious manner upon execution of this Agreement.

6. Recognition of Mr. Stern

The MET will celebrate Mr. Stern's generosity, and the collaboration among the Parties and Mr. Stern, by hosting an opening reception at the MET on or prior to the opening of the exhibition (the "Exhibition Opening").

7. **Timetable for Exhibition**

A. **Initial Phase.** Upon and subject to formal approval of the Contribution and Exhibition Agreements by the Greek Parliament prior to September 10, 2022, the following events will occur:

- (i) Initially, HACI will keep and maintain the entire Collection at Mr. Stern's present residence during which time Mr. Stern will be responsible for the Collection's security and insurance;
- (ii) By September 30, 2022, with the exception of the large idol (#105), the Collection will be delivered to the MET at the direction of HACI and at the care, responsibility and expense of the MET. The largest idol will be delivered to the MET on or before December 31, 2022. From the dates the Collection and the large idol are delivered to the MET, the MET will be responsible for their insurance and security.

B. No later than October 15, 2022, the MET will deliver 15 Collection works, listed on Exhibit B hereto, to the Museum. Said 15 Collection Works will be exhibited for a period not to exceed one (1) year, from November 1, 2022 through October 31, 2023, in an appropriately designed space in the Museum suitable for their display and protection. At the end of said one-year period, or on or prior to November 10, 2023, the 15 Collection works must and shall be delivered by the Museum and HACI for installation at the MET. The remaining 146 works in the Collection shall remain at the MET for conservation and study prior to the installation of the Collection for the Exhibition Opening, currently planned for a date between January 1, 2024 and January 29, 2024. In the event the MET fails to comply with the first sentence of this Section 7.B., HACI will be entitled to pursue legal action in an appropriate court in the State of New York for the enforcement of the obligation to send the 15 Collection works to the Museum. Any failure of the Museum or HACI, as the case may be, to deliver the 15 Collection works to the MET in a timely manner as required pursuant to this Section 7.B. will entitle Mr. Stern (or his designee), as a third-party beneficiary of this Exhibition Agreement, to pursue legal action in the appropriate court in the State of New York to compel specific performance of the obligation to deliver the 15 Collection works to the MET.

C. **Following Ten Years.** The MET agrees to display in the Gallery Space all of the Collection works for a ten-year period commencing between January 1, 2024 and January 29, 2024 and ending on December 31, 2033.

D. **Series of Exchanges for following 15 years.**

1. **Years 11-15.** From January 1, 2034 until December 31, 2038, the MET shall retain no fewer than 146 Collection works, and transfer the remaining 15 Collection works to be displayed at the Museum and/or any such other museums in Greece, as HACI's Board of Directors will each time indicate in accordance with the laws of the Hellenic Republic on cultural heritage and HACI's Articles of Incorporation. HACI and the MET are entitled to decide on issues regarding the selection of the Collection works, ensuring a balanced representation of the Collection; in exchange,

the 15 works removed from the MET will be replaced under the responsibility of HACI, with an equal number of pieces of Cycladic art from Greece of equal significance and beauty as the works of the Collection, to be delivered to the MET under the responsibility of HACI in accordance with the Greek Patrimony Law, and approved by the MET, through a loan to the MET for fifteen (15) years ending December 31, 2048.

HACI and the MET are entitled to decide on issues regarding the selection of the Collection works, ensuring a balanced representation of the Collection; in exchange, the 15 works removed from the MET will be replaced under the responsibility of HACI, with an equal number of pieces of Cycladic art from Greece of equal significance and beauty as the works of the Collection, to be delivered to the MET under the responsibility of HACI in accordance with the Greek Patrimony Law, and approved by the MET, through a loan to the MET for ten (10) years ending December 31, 2048.

3. Years 21-25. E. Next 25 Years

1. For the purpose of maintaining a major installation of Cycladic art at the MET for a period of 50 years, HACI, undertakes to take any and all actions and guarantee the display of 122 or more works of Cycladic art at the MET from January 1, 2049 and continuing for a period of 25 years in accordance with the Greek Patrimony Law, as follows:

- (i) by entering into a loan to the MET regarding the Collection in whole or in part, or
- (ii) by requesting the remaining Collection works be shipped to Greece and in exchange making loans to the MET of 122 pieces of Cycladic art of equal significance and beauty to

the Collection. The Cycladic art pieces to be lent through replacement loans will be selected by HACI in accordance with the Greek Patrimony Law in consultation with the MET and approved by the Museum and the MET.

9. Costs of shipping and insurance

A. The MET shall make the shipping arrangements and bear the shipping costs of the Initial Phase Exhibition (paragraphs 7.A and B), the Initial Ten-Year Period and the three exchange transactions described above over the following 15 years; except at the termination of the Collection exhibition, HACI shall bear the cost of shipping the 116 or more remaining Collection works to Greece.

B. The MET will insure the Collection while on site there and while works are in transit to and from the MET and museums designated by HACI. HACI shall be responsible for insuring the Collection works at museums designated by HACI.

C. For the period January 1, 2049 through December 31, 2073, the parties shall agree to the distribution of associated costs and insurance responsibilities as an element of the loan agreements relative to that time period.

10. Conditions of Exhibition

HACI and the MET agree that the Exhibition will adhere to the MET's standard conditions of loan, attached hereto as Exhibit C. Further, HACI and the MET recognize that loan standards and conditions may evolve over time, and therefore agree to review the Museum's standard conditions of loan every ten years so that the understanding between the Parties remains current.

THE PARTIES

A.

AFTER CONSIDERING AND MUTUALLY ACKNOWLEDGING THE FOLLOWING:

1. HACI is a non-profit legal entity established in accordance with the Laws of its place of establishment and governed by a Board of Directors whose Chairman and majority of members are appointed by the Cycladic Museum. The purposes of HACI include (i) promoting the cultural heritage of Greece and stimulating global interest in and knowledge about Greek antiquities; (ii) obtaining, by way of donations, loans, or bequests, ownership and/or possession of works of art, objects, and monuments from Greece dating back to the period from prehistoric times to the Middle Ages and seeing to their safekeeping, study, and conservation of antiquities, being entitled to transfer them to the Cycladic Museum or other museums in Greece, under decisions adopted by its Board of Directors in accordance with the laws of the Hellenic Republic on cultural heritage; and (iii) exhibiting and seeing to the exhibition of works of art, objects, and monuments from Greece dating back to the period from prehistoric times to the Middle Ages in museums or other suitable venues where objects of Greek or other cultures or countries are exhibited or studied, under decisions adopted by its Board of Directors provided that the laws of the Hellenic Republic on cultural heritage are respected;

2. On July 21, 2022, Leonard Stern, resident in the United States ("L.S.") and HACI, entered into an agreement in New York witnessed before a Notary Public, attached hereto as Annex A (the "**Contribution Agreement**"), by virtue of which L.S. delivered to HACI, by way of donation, all his rights and interests, including possessory rights, in a collection of 161 Cycladic antiquities held by L.S. and shown in Annex B attached hereto (the "**Collection**").

3. L.S. contributed the Collection to HACI under the following terms and framework:

(a) HACI has already obtained from the competent tax authority [the United States Internal Revenue Service (IRS)] a determination letter dated July, 6th 2022, ruling that HACI is exempt from United States federal income tax under Section 501(a) as an organization described in Sections 501(c)(3) and 509(a)(3) of the 1986 Internal Revenue Code.

(b) no later than July 21, 2022, HACI and MET shall have entered into an agreement regarding the display of the Collection at the MET, identical to the agreement (the "Exhibition Agreement") attached to the Contribution Agreement and reproduced here as Annex C;

(c) immediately once condition under (b) above has been met, and in any case no later than September 10, 2022, the Greek State shall have approved officially in accordance with the Greek law (including publication in the Government's Official Gazette), HACI's right to possession of the Collection as well as the display of the Collection at the MET, as per the Exhibition Agreement;

(d) once the conditions under (b) and (c) have been met, the Contribution Agreement will enter into full force, become irrevocable and binding on L.S. and HACI, without the need of any other separate document to that end. In case any of the conditions under (b), and (c) are not met, the Contribution Agreement and Exhibition Agreement will be overturned, L.S. HACI, and the Met will be held free of any and all of their obligations thereunder, and the right to possess the Collection will revert to L.S. at L.S.'s expense;

4. In New York, on July 21, 2022, HACI and the MET entered into the Exhibition Agreement, and, therefore, condition (b) under paragraph 3 is met.

B.

HAVE AGREED AND MUTUALLY ACCEPTED THE FOLLOWING:

5. The Ministry enters into this Agreement representing the Greek State. Greek Patrimony Law provides that the Greek State is the sole owner of the Collection.

6. The Ministry, representing the Greek State and being the competent authority for the protection of Greece's cultural heritage, hereby (i) acknowledges, solely for the purposes of the following paragraphs, that HACI obtained the right of possession of the Collection by virtue of the Contribution Agreement, which is valid in accordance with the N.Y. laws and (ii) approves the display of the Collection at the MET under the following conditions:

(a) Until September 30, 2022 at the latest, HACI will keep and maintain the Collection at L.S.'s current residence and L.S. will be responsible for the Collection's security and insurance. Thereafter, the Collection will be delivered to the MET at the direction of HACI and at the care, responsibility and expense of the MET, except for the largest idol (item no 105), which HACI will keep and maintain in L.S.'s current residence until on or before December, 31

2022. On such date the large idol will be delivered to the MET at the direction of HACI and at the care, responsibility and expense of the MET. From the respective dates the Collection and the large idol are delivered to the MET, the latter is responsible for their insurance and security.

(b) No later than October 15, 2022, the fifteen (15) antiquities determined in Annex D attached hereto, will be sent to the Cycladic Museum at the direction of HACI and at the care and expense of the MET to be exhibited for one year, from November 1, 2022 until October 31, 2023, in an appropriately designed space in the Cycladic Museum, suitable for their display and protection. At the termination of this one-year period and no later than November 10, 2023, the antiquities will be sent back to the MET at the care of the Cycladic Museum and at the expense of the MET, for the launching of the exhibition of the Collection at the MET, in accordance with the Exhibition Agreement. In the event the MET fails to comply with the first sentence of this par. 6(b), HACI will be entitled to pursue legal action in an appropriate court in New York for the enforcement of such obligation to send the fifteen (15) antiquities to the Cycladic Museum. Any failure of the Cycladic Museum or any other person to comply with its obligation under the second sentence of this par. 6(b) will entitle L.S., as a third-party beneficiary of the Exhibition Agreement and this agreement, to pursue legal action in an appropriate court in New York for specific performance of the obligation.

(c) The Collection will be exhibited in a gallery at the MET for twenty-five (25) years starting on a date between January 1, 2024 and no later than January 29, 2024 until December 31, 2048, as follows:

- the entire Collection (161 antiquities) will be exhibited from a date between January 1, 2024 and no later than January 29, 2024 until December 31, 2033,
- every five years past the end of the aforesaid ten-year exhibition period, specifically on January 1, 2034, January 1, 2039 and January 1, 2044, fifteen (15) antiquities from the Collection (45 antiquities in total) will revert to HACI to be displayed at the Cycladic Museum and/or any such other museums in Greece, as HACI's Board of Directors will each time indicate and the Ministry will approve in accordance with the laws of the Hellenic Republic on cultural heritage. These antiquities will be selected by the Ministry in consultation with the Cycladic Museum and the MET considering, inter alia, the types that are not represented in the collection of the Cycladic Museum and other museums in Greece. The large idol (item no 105) will be included in the fifteen (15) antiquities to be reverted to HACI's possession on January 1, 2034. The order in which these antiquities will be reverted to HACI will be approved by the MET.

d) For the purpose of maintaining the promotion of Cycladic art at the MET, the MET will be obligated to display in the same installation where the Collection is displayed, antiquities of Cycladic civilization from the collections of the Cycladic Museum and/or other museums in Greece that the Greek State will be obligated to send to the MET by way of loan. These antiquities will be selected by the Ministry in consultation with the Cycladic Museum considering, inter alia and if possible, the types of antiquities that are not already represented in the Collection, will be of equivalent value and significance as the antiquities sent for display at the Cycladic Museum as per previous par. 6(c), will be approved by the Cycladic Museum and the MET and will be sent to the MET, on loan, as follows:

- fifteen (15) antiquities for the period from January 1, 2034 until December 31, 2048 (15-year loan),
- fifteen (15) antiquities for the period from January 1, 2039 until December 31, 2048 (10-year loan),

-fifteen (15) antiquities for the period from January 1, 2044 until December 31, 2048 (5-year loan).

(e) The exhibition of the Collection and the transportation of the antiquities referred to in the previous paragraphs will be implemented at the care of and at the expense of the MET.

(f) As from January 1, 2049, the MET will be obliged to continue promoting Cycladic art for another period no longer than twenty-five (25) years as follows:

After January 1, 2049 the Greek State may, at its absolute sole discretion, agree with the MET to loan the whole Collection for a period no longer than twenty-five (25) years. If no such agreement is accomplished,

- the Collection's display under the Exhibition Agreement will be terminated.
- the Collection's antiquities being at the time in Greece will be displayed at the Cycladic Museum and/or any such other museum in Greece, as HACI's Board of Directors will indicate and the Ministry will approve in accordance with the laws of the Hellenic Republic on cultural heritage.
- possession of any antiquities then being at the MET will revert definitively to HACI and be immediately dispatched at the equal expense of the Greek State and the Cycladic Museum to be permanently displayed at the Cycladic Museum and/or such other museum in Greece, as HACI's Board of Directors will indicate and the Ministry will approve in accordance with the laws of the Hellenic Republic on cultural heritage. In case HACI is at that time unable to receive or direct possession of the antiquities due to any legal or other reason, the antiquities will be sent to the Cycladic Museum at the direction and care of the MET and at the equal expense of the Greek State and the Cycladic Museum.
- the MET will be obligated to display at the same installation, one hundred twenty-two (122) antiquities of Cycladic civilization from the collections of the Cycladic Museum and/or other museums in Greece that the Greek State will be obligated to send to the MET by way of loan for a period of twenty-five (25) years and under such terms as the Greek State, the Cycladic Museum and the MET will then agree to. These antiquities will be selected by the Ministry in consultation with the MET and approved by the Cycladic Museum and the MET.

(g) The gallery will prominently bear on a wall, the following indication regarding the Greek State:

HELLENIC REPUBLIC - MINISTRY OF CULTURE AND SPORTS
MUSEUM OF CYCLADIC ART, ATHENS
LOAN OF CYCLADIC ART TO THE MET

(h) The Ministry, the Cycladic Museum and the MET agree to collaborate in the projects described in Annex E' attached to this agreement.

7. Any and all agreements envisaged in this agreement and any and all related ancillary acts in connection with or amendments thereto will be exempted of any and all direct or indirect taxes, duties, contributory or otherwise, stamp duty, contributions, commissions, royalties or any other charge payable to the Greek State.

8. Except as provided above, and specifically as provided in paragraph 6 (b) above, any and all disputes that may arise under this agreement will be resolved by the Courts of Athens pursuant to the laws of Greece.

9. In case of conflicts or inconsistencies between this agreement and the Contribution Agreement and/or the Exhibition Agreement and/or their annexes, the terms of this agreement will prevail.

10. The material failure by L.S. or the MET to comply with their obligations under the Contribution Agreement and/or the Exhibition Agreement and/or this agreement shall entitle the other parties to annul this agreement. Further, all terms of this agreement are declared important and equal.

11. This agreement shall be submitted to and approved by the Greek Parliament no later than September 10, 2022 (including publication in the Government's Official Gazette), and be effective as from the date of its execution.

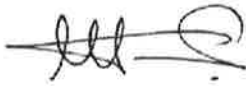

12. This agreement was drafted in both Greek and English and in case of conflict the Greek text supersedes, provided the same is substantially in accordance with the terms and conditions of the English version.

13. This agreement and any amendment hereto may be signed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one agreement (or amendment, as applicable).

14. The exchange of counterparts of this agreement between the parties by means of facsimile transmission or by electronic email transmission (pdf) which shall contain authentic reproductions shall constitute a valid exchange of this Agreement and shall be binding upon the parties hereto.

- B. Mr. Stern wishes to share the Collection with fellow New Yorkers and with the world through display of the Collection at the MET, which already has a significant collection of Greek art and artifacts on display;
- C. To that end, Mr. Stern entered into that certain Contribution Agreement with HACI on even date hereof, a copy of which is attached hereto, whereby Mr. Stern contributed all 161 antiquities from the Collection to HACI, subject to rescission of the contribution if either of two contemplated events described below does not happen before September 10, 2022;
- D. HACI hereby agrees to have the Collection exhibited at the MET, and to take any and all actions to ensure and guarantee the implementation of an exchange arrangement as described hereinbelow in accordance with this Agreement, its Articles of Incorporation and the Greek Patrimony Law;
- E. The MET agrees to prominently display the Collection in a dedicated gallery space to be built specifically for the entire Collection and to publish a catalog of the Collection; and
- F. Recognizing the importance of displaying Cycladic artwork in New York for the duration of

approval of the Greek State in accordance with this Agreement, HACI's Articles of Incorporation and the Greek Patrimony Law;

The Parties hereby agree as follows:

1. Recitals

The preceding recitals form an integral part of this Agreement.

2, Contribution of Collection to HACI

Mr. Stern has contributed the Collection to HACI, subject to the post-contribution conditions set forth in the Contribution Agreement between Mr. Stern and HACI, i.e., that this Agreement has been executed by the Parties no later than July 21, 2022, and that that certain 4-party Agreement by and among the Ministry of Culture and Sport of the Hellenic Republic (the "Ministry"), HACI, the MET, and the Museum of Cycladic Art of Athens (the "Museum") dated July 21, 2022 has been formally approved by the Greek State (including publication in the Government's Official Gazette) no later than September 10, 2022.

3. HACI's Obligation to Display the Collection at the MET

Upon Mr. Stern's contribution of the Collection to HACI, HACI will have the Collection exhibited at the MET ("the Exhibition") as set forth in this Agreement.

4. MET's display of the Collection

The MET will install a new gallery space (the "Gallery Space") dedicated to the display of the Collection, to be completed in an expeditious manner upon execution of this Agreement.

6. Recognition of Mr. Stern

The MET will celebrate Mr. Stern's generosity, and the collaboration among the Parties and Mr. Stern, by hosting an opening reception at the MET on or prior to the opening of the exhibition (the "Exhibition Opening").

7. Timetable for Exhibition

A. **Initial Phase.** Upon and subject to formal approval of the Contribution and Exhibition Agreements by the Greek Parliament prior to September 10, 2022, the following events will occur:

- (i) Initially, HACI will keep and maintain the entire Collection at Mr. Stern's present residence during which time Mr. Stern will be responsible for the Collection's security and insurance;
- (ii) By September 30, 2022, with the exception of the large idol (#105), the Collection will be delivered to the MET at the direction of HACI and at the care, responsibility and expense of the MET. Said 15 Collection Works will be exhibited for a period not to exceed one (1) year, from November 1, 2022 through October 31, 2023, in an appropriately designed space in the Museum suitable for their display and protection. At the end of said one-year period, or on or prior to November 10, 2023, the 15 Collection works must and shall be delivered by the Museum and HACI for installation at the MET. The remaining 146 works in the Collection shall remain at the MET for conservation and study prior to the installation of the Collection for the Exhibition Opening, currently planned for a date between January 1, 2024 and January 29, 2024. Any failure of the Museum or HACI, as the case may be, to deliver the 15 Collection works to the MET in a timely manner as required pursuant to this Section 7.B. will entitle Mr. Stern (or his designee), as a third-party beneficiary of this Exhibition Agreement, to pursue legal action in the appropriate court in the State of New York to compel specific performance of the obligation to deliver the 15 Collection works to the MET.

C. **Following Ten Years.** The MET agrees to display in the Gallery Space all of the Collection works for a ten-year period commencing between January 1, 2024 and January 29, 2024 and ending on December 31, 2033.

D. **Series of Exchanges for following 15 years.**

Between

The Hellenic Ancient Culture Institute, Inc. (hereinafter "HACI"), c/o Roberts & Holland LLP, 1675 Broadway, New York, New York 10019, United States, represented by its Secretary, Peter John Goulandris,

and

The Metropolitan Museum of Art, 1000 Fifth Avenue, New York, New York, 10028, United States (hereafter the "MET") represented by Max Hollein, Maria Kellen French Director.

HACI and the MET are hereafter referred to singularly as a "Party" and collectively as the "Parties".

Whereas

- A. Leonard N. Stern ("Mr. Stern") has accumulated an extraordinary collection of Cycladic antiquities consisting of 161 pieces representing one of the world's great sculptural traditions (the collection of 161 pieces hereinafter referred to as the "Collection;" a listing of the pieces in the Collection is annexed hereto as Exhibit A); the Collection exists as a result of Mr. Stern's long-standing interest in not only Cycladic art but other art and artifacts of the Hellenic Republic and in the history of Greek Culture;
- B. Mr. Stern wishes to share the Collection with fellow New Yorkers and with the world through display of the Collection at the MET, which already has a significant collection of Greek art and artifacts on display;
- C. To that end, Mr. Stern entered into that certain Contribution Agreement with HACI on even date hereof, a copy of which is attached hereto, whereby Mr. Stern contributed all 161 antiquities from the Collection to HACI, subject to rescission of the contribution if either of two contemplated events described below does not happen before September 10, 2022;
- D. HACI hereby agrees to have the Collection exhibited at the MET, and to take any and all actions to ensure and guarantee the implementation of an exchange arrangement as described hereinbelow in accordance with this Agreement, its Articles of Incorporation and the Greek Patrimony Law;
- E. The MET agrees to prominently display the Collection in a dedicated gallery space to be built specifically for the entire Collection and to publish a catalog of the Collection; and
- F. Recognizing the importance of displaying Cycladic artwork in New York for the duration of

approval of the Greek State in accordance with this Agreement, HACI's Articles of Incorporation and the Greek Patrimony Law;

The Parties hereby agree as follows:

1. Recitals

The preceding recitals form an integral part of this Agreement.

2. Contribution of Collection to HACI

Mr. Stern has contributed the Collection to HACI, subject to the post-contribution conditions set forth in the Contribution Agreement between Mr. Stern and HACI, i.e., that this Agreement has been executed by the Parties no later than July 21, 2022, and that that certain 4-party Agreement by and among the Ministry of Culture and Sport of the Hellenic Republic (the "Ministry"), HACI, the MET, and the Museum of Cycladic Art of Athens (the "Museum") dated July 21, 2022 has been formally approved by the Greek State (including publication in the Government's Official Gazette) no later than September 10, 2022.

3. HACI's Obligation to Display the Collection at the MET

Upon Mr. Stern's contribution of the Collection to HACI, HACI will have the Collection exhibited at the MET ("the Exhibition") as set forth in this Agreement.

4. MET's display of the Collection

The MET will install a new gallery space (the "Gallery Space") dedicated to the display of the Collection, to be completed in an expeditious manner upon execution of this Agreement.

6. Recognition of Mr. Stern

The MET will celebrate Mr. Stern's generosity, and the collaboration among the Parties and Mr. Stern, by hosting an opening reception at the MET on or prior to the opening of the exhibition (the "Exhibition Opening").

7. Timetable for Exhibition

- A. **Initial Phase.** Upon and subject to formal approval of the Contribution and Exhibition Agreements by the Greek Parliament prior to September 10, 2022, the following events will occur:
- (i) Initially, HACI will keep and maintain the entire Collection at Mr. Stern's present residence during which time Mr. Stern will be responsible for the Collection's security and insurance;
 - (ii) By September 30, 2022, with the exception of the large idol (#105), the Collection will be delivered to the MET at the direction of HACI and at the care, responsibility and expense of the MET. The largest idol will be delivered to the MET on or before December 31, 2022. Said 15 Collection Works will be exhibited for a period not to exceed one (1) year, from November 1, 2022 through October 31, 2023, in an appropriately designed space in the Museum suitable for their display and protection. At the end of said one-year period, or on or prior to November 10, 2023, the 15 Collection works must and shall be delivered by the Museum and HACI for installation at the MET. The remaining 146 works in the Collection shall remain at the MET for conservation and study prior to the installation of the Collection for the Exhibition Opening, currently planned for a date between January 1, 2024 and January 29, 2024. Any failure of the Museum or HACI, as the case may be, to deliver the 15 Collection works to the MET in a timely manner as required pursuant to this Section 7.B. will entitle Mr. Stern (or his designee), as a third-party beneficiary of this Exhibition Agreement, to pursue legal action in the appropriate court in the State of New York to compel specific performance of the obligation to deliver the 15 Collection works to the MET.
- C. **Following Ten Years.** The MET agrees to display in the Gallery Space all of the Collection works for a ten-year period commencing between January 1, 2024 and January 29, 2024 and ending on December 31, 2033.
- D. **Series of Exchanges for following 15 years.**

9. Costs of shipping and insurance

A. The MET shall make the shipping arrangements and bear the shipping costs of the Initial Phase Exhibition (paragraphs 7.A and B), the Initial Ten-Year Period and the three exchange transactions described above over the following 15 years; except at the termination of the Collection exhibition, HACI shall bear the cost of shipping the 116 or more remaining Collection works to Greece.

B. The MET will insure the Collection while on site there and while works are in transit to and from the MET and museums designated by HACI. HACI shall be responsible for insuring the Collection works at museums designated by HACI.

Πολλά από τα αντικείμενα της συλλογής, λόγω του τύπου και των διαστάσεών τους, αποτελούν εξαιρετικά σπάνια ή ακόμα και μοναδικά δείγματα της τέχνης και της τεχνικής του κυκλαδικού πολιτισμού της 3ης προχριστιανικής χιλιετίας παγκοσμίως. Σημειώνεται ότι, σύμφωνα με την προς κύρωση σύμβαση, το MET υποχρεούται να εκθέσει τις αρχαιότητες τόσο της συγκεκριμένης συλλογής, όσο και άλλες που θα προτείνει το Ελληνικό Κράτος, σε ειδικά διαμορφωμένη αίθουσα, στην οποία, σύμφωνα με την προς κύρωση σύμβαση, θα αναφέρεται για πρώτη φορά και με σταθερή επιτοίχια χάραξη ότι οι συγκεκριμένες αρχαιότητες ανήκουν στο Ελληνικό Κράτος, το οποίο επιτρέπει την έκθεσή τους, υπό την κυριαρχική ιδιότητα του ιδιοκτήτη. Επισημαίνεται ότι η αναφορά «ΕΛΛΗΝΙΚΗ ΔΗΜΟΚΡΑΤΙΑ – ΥΠΟΥΡΓΕΙΟ ΠΟΛΙΤΙΣΜΟΥ και ΑΘΛΗΤΙΣΜΟΥ» υιοθετείται για πρώτη φορά από το MET για τις αρχαιότητες της συγκεκριμένης συλλογής.</p> <p>-Η αποστολή, τον Οκτώβριο 2022, 15 εξαιρετικά σημαντικών αντικειμένων της συλλογής και η έκθεσή τους για πρώτη φορά στο διεθνές κοινό, κατά τη ρητή πρόβλεψη της προς κύρωση σύμβασης, στην Ελλάδα, σε ειδικά διαμορφωμένη αίθουσα του Κυκλαδικού Μουσείου, για ένα έτος.</p> <p>-Η πολυετής και διαρκής προβολή του κυκλαδικού πολιτισμού στο MET της Νέας Υόρκης, καθώς το MET δεσμεύεται, σύμφωνα με την προς κύρωση σύμβαση, να εκθέτει πέραν των μνημείων της συλλογής, επιπλέον και άλλα τέχνηρα του κυκλαδικού πολιτισμού, από μουσεία της Ελλάδας, πάντοτε υπό την επιτοίχια αναφορά της ιδιοκτησίας του Ελληνικού Κράτους.</p> <p>-Η επίτευξη των ανωτέρω άμεσα και χωρίς αντιδικία, αλλά και χωρίς καμία απολύτως οικονομική επιβάρυνση του Ελληνικού Δημοσίου, καθώς, σύμφωνα με την προς κύρωση σύμβαση, όλες οι δαπάνες βαραίνουν το MET (μεταφορά, έκδοση καταλόγου έκθεσης).</p>

Συγκεκριμένα, η προς κύρωση σύμβαση προβλέπει την έκδοση από το ΜΕΤ και με δική του δαπάνη, ενός πλήρους καταλόγου της συλλογής. Στη συγγραφική ομάδα του καταλόγου θα περιλαμβάνονται δύο επιστήμονες αρχαιολόγοι εξειδικευμένοι στον κυκλαδικό πολιτισμό, που κατά ρητή πρόβλεψη της προς κύρωση σύμβασης, επιλέγονται από το Υπουργείο Πολιτισμού και Αθλητισμού. Περαιτέρω, σύμφωνα με ρητή πρόβλεψη της προς κύρωση συμφωνίας, ο κατάλογος θα προλογίζεται από τον Διευθυντή του ΜΕΤ, από τον Υπουργό Πολιτισμού και Αθλητισμού της Ελληνικής Δημοκρατίας και τον Πρόεδρο του Κυκλαδικού Μουσείου.</p>

Συγκεκριμένα, η προς κύρωση σύμβαση προβλέπει την κατάρτιση Μνημονίου Συνεργασίας έως την 31η Δεκεμβρίου 2022, που θα αφορά στην προκήρυξη, ανά τρία έτη, υποτροφίας από το ΜΕΤ για Έλληνες αρχαιολόγους σχετικά με τη μελέτη του κυκλαδικού πολιτισμού. Επιπλέον,</p>

Τέλος, σύμφωνα με την προς κύρωση σύμβαση, προβλέπεται η συνεργασία μεταξύ ΥΠΠΟΑ και ΜΕΤ στον τομέα της συντήρησης και της εκπαίδευσης, στη διοργάνωση συνεδρίων, τη χορήγηση εκπαιδευτικών και ερευνητικών υποτροφιών, καθώς και την ανάπτυξη συνεργειών σε αρχαιολογικές εργασίες πεδίου.</p>

Με αποφάσεις του Διοικητικού</p>								

	<p>του Συμβουλίου, του οποίου ο Πρόεδρος και η πλειοψηφία των μελών επιλέγονται από το Κυκλαδικό Μουσείο, ο HACI δύναται, μεταξύ άλλων, να αποκτά έργα τέχνης, αντικείμενα και μνημεία της Ελλάδας που χρονολογούνται από τους προϊστορικούς χρόνους έως και τον Μεσαίωνα, να μεριμνά για τη φύλαξη, μελέτη και έκθεσή τους σε μουσεία ή άλλους κατάλληλους χώρους, με το δικαίωμα της τελικής μεταβίβασης στο Κυκλαδικό Μουσείο ή σε άλλα μουσεία της Ελλάδας. Σύμφωνα με ρητή πρόβλεψή στο καταστατικό του, ο HACI προβαίνει στις προαναφερθείσες δράσεις σχετικά με τις ελληνικές αρχαιότητες με την προϋπόθεση της τήρησης των όσων ορίζει η νομοθεσία περί πολιτιστικής κληρονομιάς του Ελληνικού Κράτους.</p> <p>2. Την 21η Ιουλίου 2022, δυνάμει σχετικής συμφωνίας («Contribution Agreement»), η οποία υπεγράφη στη Νέα Υόρκη, ενώπιον συμβολαιογράφου, ο HACI, απέκτησε μια συλλογή 161 κυκλαδικών αρχαιοτήτων από φυσικό πρόσωπο (τον συλλέκτη Leonard Stern, μόνιμο κάτοικο Νέας Υόρκης). Η σύμβαση αυτή καταρτίστηκε σύμφωνα με το δίκαιο της Νέας Υόρκης, το οποίο διέπει αμφότερα τα συμβαλλόμενα μέρη αλλά και τον τόπο κατάρτισής της και προβλέπει ότι ο HACI θα μεριμνήσει για την έκθεση των αρχαιοτήτων της συλλογής στο MET και την τελική επιστροφή τους στην Ελλάδα. Με δεδομένο ότι ο HACI υποχρεούται από το καταστατικό του, να υπάγει όλες τις δράσεις του στις προβλέψεις του ελληνικού αρχαιολογικού νόμου, η συμφωνία προβλέπει ότι το Ελληνικό Κράτος θα πρέπει προηγουμένως να εγκρίνει τόσο την κατοχή των αρχαιοτήτων από τον HACI όσο και την έκθεσή τους στο MET.</p> <p>Ακολουθώντας, με το Μέρος Β' της προς κύρωση σύμβασης, τα μέρη δηλώνουν και αποδέχονται ότι το Ελληνικό Κράτος:</p> <ul style="list-style-type: none"> -συμβάλλεται κυριαρχικά στη Σύμβαση ως ο μοναδικός ιδιοκτήτης των αρχαιοτήτων, όπως προβλέπει ο ελληνικός αρχαιολογικός νόμος, -υπό την ιδιότητά του, ως ανέκαθεν κυρίου των αρχαιοτήτων, αναγνωρίζει τον HACI μόνο ως κάτοχο αυτών, κατοχή που προέκυψε ως πραγματική κατάσταση, λόγω της προαναφερθείσας Σύμβαση Εισφοράς. Επισημαίνεται ότι ο ελληνικός αρχαιολογικός νόμος προβλέπει και επιτρέπει την κατοχή αρχαιοτήτων από ιδιώτες, με έγκριση του ΥΠΠΟΑ. -αναγνωρίζει τον HACI ως κάτοχο μόνο για τους συγκεκριμένους σκοπούς της προς κύρωση σύμβασης, που είναι η έκθεση των αρχαιοτήτων στο MET και η επιστροφή τους στην Ελλάδα, με μέριμνα και επιμέλεια του HACI -εγκρίνει την κατοχή των αρχαιοτήτων από τον HACI, την έκθεσή τους στο MET και την επιστροφή τους στην Ελλάδα με

Ο HACI υποχρεούται να παραδώσει τις αρχαιότητες στο MET το αργότερο έως την 30η.9.2022 προκειμένου να εκτεθούν αυτές σε αίθουσα του MET, την οποία το MET υποχρεούται να διαμορφώσει ειδικά και κατάλληλα για αυτές τις αρχαιότητες και με σταθερή και εμφανή επιτοίχια ένδειξη που θα δηλώνει την ιδιοκτησία του Ελληνικού Κράτους. Συγκεκριμένα, στον τοίχο της αίθουσας θα χαραχθεί στην αγγλική γλώσσα η εξής αναφορά:</p> <p style="text-align: center;">«ΕΛΛΗΝΙΚΗ ΔΗΜΟΚΡΑΤΙΑ – ΥΠΟΥΡΓΕΙΟ ΠΟΛΙΤΙΣΜΟΥ ΚΑΙ ΑΘΛΗΤΙΣΜΟΥ ΜΟΥΣΕΙΟ ΚΥΚΛΑΔΙΚΗΣ ΤΕΧΝΗΣ, ΑΘΗΝΑ ΔΑΝΕΙΟ ΚΥΚΛΑΔΙΚΗΣ ΤΕΧΝΗΣ ΠΡΟΣ ΤΟ MET»</p> <p>Το Ελληνικό Κράτος δεν θα επιβαρυνθεί οικονομικά, διότι η δαπάνη της μεταφοράς των αρχαιοτήτων στους χώρους του MET, συμφωνήθηκε ότι βαρύνει το MET.</p> <p>β. Συγκεκριμένα, ο HACI θα αποστείλει στην Ελλάδα δεκαπέντε (15) αρχαιότητες, το αργότερο έως την 15η.10.2022, οι οποίες θα εκτεθούν άμεσα και για διάστημα ενός έτους (1η.11.2022 έως και 31η.10.2023) σε χώρο που υποχρεούται να διαμορφώσει ειδικά και κατάλληλα γι' αυτές το Κυκλαδικό Μουσείο. Σημειώνεται ότι οι εν λόγω αρχαιότητες προσδιορίζονται στο ειδικό Παράρτημα Δ' της προς κύρωση συμφωνίας και αποτελούν εξαιρετικά σημαντικά δείγματα που δεν εκπροσωπούνται ήδη στα μουσεία της Χώρας. Μετά την παρέλευση του έτους, οι αρχαιότητες θα αποσταλούν στο MET προκειμένου να ακολουθήσει η έκθεση και προβολή τους προς το διεθνές κοινό του MET. Ούτε για την αποστολή αυτή προβλέπεται οικονομική επιβάρυνση του Ελληνικού Δημοσίου, διότι η δαπάνη της μεταφοράς των εν λόγω αρχαιοτήτων προς και από την Ελλάδα επίσης συμφωνήθηκε να βαρύνει το MET, στο σύνολό της.</p> <p>γ. Η ως άνω αίθουσα με την προαναφερθείσα σήμανση της ιδιοκτησίας της Ελλάδας δεσμεύεται για την ανάδειξη του κυκλαδικού πολιτισμού, χωρίς οικονομική επιβάρυνση του Ελληνικού Δημοσίου μέσω της προβολής της συλλογής αλλά και άλλων μνημείων κυκλαδικού πολιτισμού από τα ελληνικά μουσεία ως εξής:</p> <p>-Έκθεση των εκατόν εξήντα μίας (161) αρχαιοτήτων για δέκα (10) έτη (Ιανουάριος 2024 - Δεκέμβριος 2033).</p>
