

For the readmission of the said persons, the respective Diplomatic Missions of the two Contracting Parties, shall be informed at least 3 days in advance.

#### Article 8

The Contracting Parties, shall communicate mutually through diplomatic channels, specimens of new travel documents, seals and types of entry visas, in order to prevent and combat the illegal crossing of borders.

#### Article 9

Either of the Contracting Parties may, for reasons of national security, internal order or health, suspend in all or in part the implementation of this Agreement. Such suspension and its termination shall be communicated to the other Contracting Party at any time, through diplomatic channels.

#### Article 10

The concrete measures, dates, finances and conditions for the implementation of the present Agreement will be fixed after mutual consultation between the two Contracting Parties.

In case of mutual exchange of delegations the expenses of the hospitality will be covered by the host country. Travel expenses are not included.

#### Article 11

The application of the present Agreement may be terminated by either of the Contracting Parties upon a 30 days advance written notice for this purpose, communicated to the other Contracting Party through diplomatic channels.
