

### **Article 9**

Every calendar year, until the end of January, the carriers operating regular services should forward to the responsible authorities in their country the following data:

1. Number of journeys and kilometres;
2. Number of passengers of the previous year.

The above data are to be exchanged between the Contracting Parties.

## **II. TRANSPORT OF GOODS**

### **Article 10**

Carriers authorised in the territory of one Contracting Party are allowed to carry out international road goods transport for hire or reward or on their own account between the two Contracting Parties (bilateral transport), as well as through their territories to other countries (transit transport) using a permit issued by the competent authorities of the other Contracting Party.

Carriers of the Contracting Parties are permitted to carry out the transport to or from the territory of a third country only on the basis of a special permit which is to be issued by the Contracting Party to or from the territory in which the transport is carried out.
