

IV. ENTRY INTO FORCE AND DURATION

Article 18

Each Contracting Party shall notify the other Contracting Party, through diplomatic channels, that the respective internal legal requirements necessary for the entry into force of this Agreement have been fulfilled. This Agreement shall enter into force 30 days after the receipt of the latter of these two notifications. This Agreement shall be applied on a temporary basis from the day of its signing.

The Agreement between the Government of Yugoslavia and the Government of the Kingdom of Greece on the International Carriage of Passengers and Goods by Road, signed on June 18th, 1959, ceases to be valid in the relations between the Hellenic Republic and the Republic of Croatia in the field of international road transport on the date of entering into force of this Agreement.

This Agreement shall remain in force for a period of one year after its entry into force. Thereafter, the Agreement shall be tacitly prolonged for further one- year periods unless one of the Contracting Parties notifies the other, six months before the expiration of the first or any subsequent one- year period, of its intention to denounce this Agreement.
